

DREAMERS

Begins with something Celtic on fiddle, not the speed of a jig.
~~~~~ with BANJO ~~~~~ - fades into  
the strum of the guitar G-C-D, G-C-D

As they passed Lady Liberty <sup>G</sup> (Guitar)  
Tears filled their eyes <sup>C</sup> <sup>G-C</sup>  
She was the hope of the tired and the poor <sup>G</sup> <sup>C</sup>  
for better lives <sup>G-C</sup>  
it was New York City <sup>D</sup>  
1910 <sup>C</sup>  
There were no walls <sup>D</sup>  
they could start again <sup>C</sup>  
and they were Dreamers <sup>D</sup> — <sup>C</sup>  
in America <sup>G-C-G-C</sup>

Their sons and daughters spread far <sup>G</sup> <sup>C</sup>  
Across this Nation <sup>G-C</sup> (introduce banjo)  
And the blood of one was the blood <sup>G</sup> <sup>C</sup> Pedal Steel  
Of many generations <sup>G-C</sup>  
Red and Yellow <sup>D</sup>  
Black and White <sup>C</sup>  
All in freedom to unite <sup>D</sup> <sup>C</sup>  
and they were Dreamers <sup>D</sup> — <sup>C</sup>  
in America <sup>G</sup>

Take the time to remember  
From where you came  
Let the light of her lamp  
shine the same

(cause we are) one people  
We are one people  
We are one people  
(we are) Dreamers in America

EM (EM is the 1<sup>ST</sup> NOTE in Guitar/Fiddle break)  
EM - G - EM - D  
EM - G - C - D

We are one family, together  
On this planet  
And the men who lead by hate  
I don't understand it  
But one great truth I know  
Is just like Jericho

We will raise our voices  
'til the walls come tumbling down //stop//

|| Take the || time to remember  
From where you came  
Let the light of her lamp  
shine the same

(START CHOIR VOCALS "AH'S")
